FEISS A FINALIST IN THE 29TH ANNUAL ARTS AWARDS *Second Year in a Row for the Lighting Designer and Manufacturer*

DALLAS, September 8, 2017—Feiss has been chosen as a top five lighting manufacturer finalist for the prestigious ARTS Awards. This was announced today by the Dallas Market Center, producer of the ARTS Awards, and ART, the creative home furnishings network.

The ARTS Awards is the premier awards program in the U.S. honoring top manufacturers, retailers, designers and sales representatives in the home industry. The winners will be revealed during an event during January's LIGHTOVATION trade show and Dallas Total Home & Gift Market, on Friday, January 19, 2018.

Sean Lavin, Chief Design Officer for Feiss and its parent company Generation Brands, said, "We're so honored to be chosen as an ARTS finalist for the second year in a row. It's all due to the hard work of our employees to further the Feiss brand and the hard work of our sales reps and our customers who sell Feiss products. This nomination is particularly humbling because it came from third parties who are highly respected in our business."
